Highest overall SAT score: Highest evidence-based reading and writing score : Highest math score:

- 1320/1600 680 690

OCTOBER 2023

MOTIVATION FOR APPLYING TO ISYY

I am someone who is very passionate about making people's voices being heard. As an international student I have noticed that there can sometimes be a disconnect between us and the school board and I would be honored to bridge that gap and take on the resposibilities to make this university experience more inclusive and fair to all students on campus.
